Mini Touch

Benefits

- + Attractive and functional design
- + Low power consumption
- + Quick and easy installation on any surface (adhesive tape)
- + Installation accessories included

Features

- + Integrated light
- + Turn on/off with a touch
- + Can be installed horizontally and vertically
- + Can also be used as a portable lighting gadget

Application

- + Versatile, can be used for a wide range of applications
- + Safety light, night light
- + Decorative domestic lighting

Included

- + 3 × AAA batteries
- + Adhesive tape

Orb Sense

Benefits

- + Attractive and functional design
- + Low power consumption
- + Automatically switches on and off according to the amount of available daylight

Features

- + Integrated light
- + Integrated motion and day/night sensor
- + Auto/On/Off switch
- + Portable lighting gadget

Application

- + Versatile, can be used for a wide range of applications
- + Safety light, night light
- + Decorative domestic lighting

Included

- + 3 × AAA batteries

Lantern Sense

Benefits

- + Attractive and functional design
- + Low power consumption
- + Automatically switches on and off according to the amount of available daylight

Features

- + Integrated light
- + Integrated motion and day/night sensor
- + Auto/On/Off switch
- + Portable lighting gadget

Application

- + Versatile, can be used for a wide range of applications
- + Safety light, night light
- + Portable lighting gadget that can be found easily during power outages

Included

- + 4 x AAA batteries

Remote Light

Benefits

- + Attractive and functional design
- + Low power consumption
- + Installation accessories included (adhesive tape or screws)

Features

- + Integrated light
- + Remote controlled:
 - On/Off mode
 - Timer
 - Light intensity

Application

- + Versatile, can be used for a wide range of applications
- + Safety light, night light
- + Cabinet lighting
- + Attic, basement

Included

- + 3 x AA batteries (light)
- + 2 x AAA batteries (remote)
- + Remote holder, adhesive tape and screws

Cabinet Sense Adjustable

Benefits

- + Functional design
- + Low power consumption
- + Automatically switches on and off according to the amount of available daylight
- + Quick and easy installation on any surface (adhesive tape)
- + Installation accessories included

Features

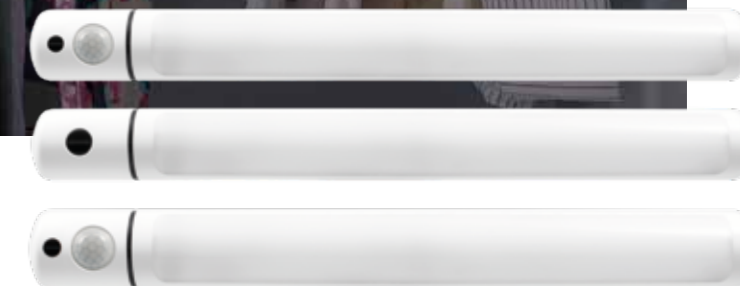

- + Integrated light
- + Adjustable lenses
- + Integrated motion and day/night sensor
- + Auto/On/Off switch

Application

- + Versatile, can be used for a wide range of applications
- + Cabinet lighting

Included

- + 3 x AA batteries
- + Adhesive tape and screws

Cabinet Sense Linear

Benefits

- + Attractive and functional design
- + Low power consumption
- + Automatically switches on and off according to the amount of available daylight
- + Quick and easy installation on any surface (magnetic holder)
- + Installation accessories included

Features

- + Integrated light
- + Integrated motion and day/night sensor
- + Auto/On/Off switch

Application

- + Versatile, can be used for a wide range of applications
- + Cabinet lighting

Included

- + 3 x AA batteries
- + Magnetic holder and screws

Also available

- + Cabinet Sense Linear USB
 - Operated with Ni-MH batteries, rechargeable by USB cable (included)
 - With integrated motion and day/night sensor
- + Cabinet Wave-Sense Linear
 - Turns on/off with a hand wave (integrated motion sensor)
 - 3 x AA batteries

Speaker Light

Benefits

- + Attractive and functional design
- + Easy to use
- + Portable speaker and light

Features

- + Integrated light
- + Music player via bluetooth
- + Hands free speaker
- + TF card
- + RGBW (colour changes with a touch)
- + Rechargeable with USB cable (included)
- + Integrated hook to hang

Application

- + Music player
- + Hands free speaker
- + Portable light

Included

- + USB cable

Wall Circle Sense

Benefits

- + Attractive and functional design
- + Low power consumption
- + Quick and easy installation
- + Installation accessories included

Features

- + Integrated light
- + Integrated motion and day / night sensor
- + On/Off switch
- + IP44

Application

- + Versatile, can be used for a wide range of outdoor (roofed areas only) and indoor applications
- + Entrance lighting
- + Corridors
- + Balconies, patios

Included

- + 3 x AA batteries (light)
- + Screws

Wall Square Sense

Benefits

- + Attractive and functional design
- + Low power consumption
- + Quick and easy installation
- + Installation accessories included

Features

- + Integrated light
- + Integrated motion and day/night sensor
- + Auto/On/Off switch

Application

- + Versatile, can be used for a wide range of outdoor (roofed areas only) and indoor applications
- + Entrance lighting
- + Corridors
- + Balconies, patios

Included

- + 4 x AA batteries
- + Screws

Porch Sense Spot

Benefits

- + Attractive and functional design
- + Low power consumption
- + Quick and easy installation
- + Installation accessories included

Features

- + Integrated light
- + Integrated motion and day/night sensor
- + IP54

Application

- + Versatile, can be used for a wide range of outdoor and indoor applications
- + Entrance lighting
- + Corridors
- + Balconies, patios
- + Garages, sheds, attics, basements

Included

- + 3 x AA batteries
- + Adhesive tape
